Hi Ellen,

Are you available for a conference call with the Big Belly vendor on Monday, 7/16/18 at 10 AM? They would like to discuss BID's needs on the Big Belly so they can move forward with procurement and delivery.

Please give some alternate date and times if 7/16/18 is not available.

Thanks,
-George

Hi Ellen,

The Little Tokyo BID logo we received is too small to wrap the entire bin. Do you have a designer which can compile a bigger logo, perhaps with an image that's representative of the Little Toyko District?

See attached samples of previous logo/wrap designs.

Thank you,

George (Chen-Min) Huang, P.E.

Good morning Abdullah,

The manufacturer recommends adding more logos/wraps to the bins to minimize graffiti. Attached and below are some examples nearby areas have used. Is there a design team you guys go to for this type of work? Please advise.

Thank you,

Hi Jonathan,
As discussed, please see some local wrap examples attached: CD1 and DCBID. Below is a station in CD13 by Echo Park.
Thanks!
Dan

Daniel,

Please see attached RFI #008 for the logo they would like on the trash bins. RFI #007 has the locations as well. I will give you a call to elaborate.
